## ment. DEMANDS INCREASED

Already the demands of Germany had been materially increased. The new demands included the session to Turkey of the regions of Karaband, Kari and Battoum and to these demands also the delegates have yielded.

Reports from Poland to Amsterdam said that Trotsky was not returning to Petrograd with the other Russian delegates and would be sent in and he might Passengers and srew battled the fire concessions granted by Russia will create.

## VAST BOOTY

Some idea of the tremendous amount of booty which Germany has taken in its campaign in Russia since the armistice ended is and given in an official report which was issued in Berlin yesterday. This report claims the making prisoners of more than 6800 officers and more than 50,000 men and the capture of 2400 field pieces and 5000 machine guns. Besides this it is claimed they seized 800 locomotives and a thousand railroad trains, many of them loaded with munitions, food and other supplies.

## AUSTRIA PROCEEDS

Indicating that the agreement between Russia and Germany will in no wise affect the action of Austria came despatches from Vienna which said that in Padolia the Austrian forces had reached Lachowics, Pruskurow and Liptanka. When they occupied Chotim the staffs of two Russian army corps surrendered and three divisions of infantry surrendered. Three hundred guns, large supplies of munitions and food were also taken.

The fortress of Kiev in the Ukraine has been liberated as a result of the cooperation between Anstria and the Ukrainian forces.
